

# **Monitoring Report on Implementation of “Prohibition of Smoking and Protection of Non-Smokers Health Ordinance, 2002”**

**Strengthening Tobacco-Smoke Free Islamabad Initiative**

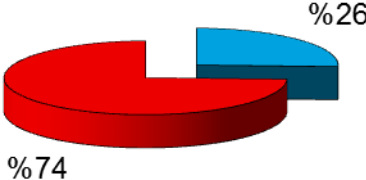

Capital Administration & Development Division (CA&DD)

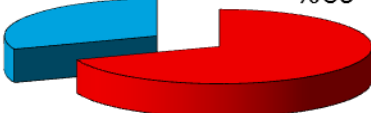

May, 2014

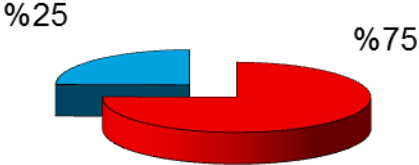

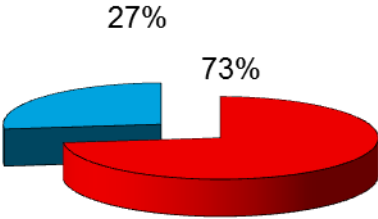

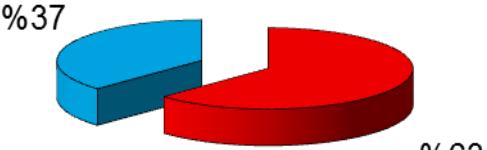

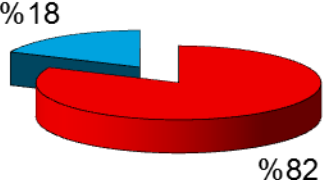

Tobacco is the second major cause of death in the world and the fourth most common risk factor for disease worldwide. It is the only consumer product that kills when used killing up to 50% of its regular users. In Pakistan, there are more than 22 million smokers in the country and 55% of the households have at least one individual who smokes tobacco. About 100,000 people die annually and 274 Pakistani die daily from diseases caused by use of tobacco. Tobacco consumption does not only occur in the form of cigarettes but also includes beed is (hand rolled cigarettes), Huqqa/ Shisha (water pipe) and chewing tobacco. Cognizant of the deleterious impact of Tobacco, Government of Pakistan issued an Ordinance "Prohibition of Smoking and Protection of Non- Smokers Health Ordinance 2002".

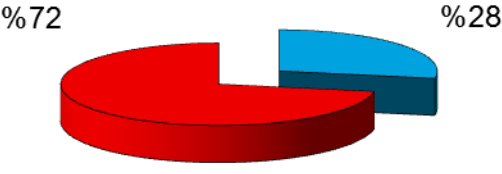

Capital Administration and Development Division (CA&DD) has taken an initiative of "**Tobacco-Smoke Free Islamabad**", as CA&DD is mainly responsible all those functions being previously performed by the abolished ministries/division within the jurisdiction of Federal Capital Area after 18<sup>th</sup> amendment. After this initiative and commencement of Bloomberg Initiative, tobacco control efforts are being accelerated by organizing advocacy workshop/seminars, sensitization/awareness seminars on hazards of tobacco use and Ordinance, 2002, dissemination of material on hazards of tobacco use and Ordinance, 2002, activating district implementation committees for ICT, public private partnership and conducting multi-sectoral collaborative activities. To monitor the implementation of Ordinance, 2002, "Checklist for Monitoring of Tobacco Control Ordinance LXXIV (2002)" is developed.

The objective of "Checklist for Monitoring of Tobacco Control Ordinance LXXIV (2002)" is to monitor the implementation of various sections of "Prohibition of Smoking and Protection of Non- Smokers Health Ordinance 2002" at federal level mapped in work plan for "Strengthening Tobacco-Smoke Free Islamabad Initiative", record the violations and take actions on these violations. This checklist was distributed among four volunteers selected by Capital Administration and Development Division (CA&DD). They visited different public places of Islamabad to monitor the implementation of various Sections (from Section 5 to 10). Data depicted in this report is collected from major markets of Islamabad. 1250 different public places were visited in these markets to monitor the Implementation of these Sections of this Ordinance. Implementation of each Section of the Ordinance is monitored through different indicators related to that Section.
